

"...ALL ABOUT BLACKBERRY JAM AND LICORICE"

## 2014 AVATAR

Very deep, dark red/purple with faint black tinges, the bouquet super-ripe and bordering on overripe, with some black olive notes and a hint of jam. The palate is all about blackberry jam and licorice. It's full-bodied and generous, a very satisfying mouth-filling red wine with length and balance. The tannins are present and add structure without being aggressive. Very good.
