"Grenache is part of our DNA at
Teusner. It's our blood. The first
wine we ever made, 2002 Joshua,
65% Grenache. Our mates said we
were mad - "no one even knows
what Grenache is, you'll never sell
it" they told us. Didn't matter. Made
it anyway. Now one of our signature
wines. Love the stuff. Over 130 years
of provenance in the Barossa can't
be wrong. Surely?"
