2013 VIN DE PLAISIR

MONTEPULCIANO CARIGNAN MATARO

"Pleasure should never be serious business...and as a result we've never had cause to take ourselves too seriously at Teusner. After all, this wine thing is just a drink...we're hardly saving lives! What we do is purely for the pleasure it brings us when we make it, and equally the pleasure it brings to people when they drink our wines. We couldn't think of another purpose for our wines to exist!"

So the French concept of a *vin de plaisir* (wine for pleasure) - a wine that gives immediate pleasure, a wine for pure & easy enjoyment - really strikes a chord, embracing all that we love about the Barossa and our approach to wine and life in general.

Delicious Montepulciano (50%) and Carignan (30%) is blended with Mataro (20%)...a short time spent resting in old, seasoned oak to ensure the juicy fruit flavours take center stage in this delicious, savoury wine. Plenty of flavour - bringing plenty of pleasure. Enjoy!!"
