

'FG' score for our FG Shiraz!

RIGHTEOUS FG SHIRAZ 2010

Very deep purple black in color the 2010 Righteous FG Shiraz projects a pronounced nose of blackcurrant cordial, dark chocolate and warm blueberries amid underlying nuances of chocolate-covered cherries, licorice, menthol and cloves. Full-bodied and tautly structured in the mouth, it has a muscular, densely packed core of black fruit and baking spice flavors in the mouth and finishes with long, lingering aniseed hints. Drink it now to 2025+.
