

"...IT IMPRESSES FROM ALL ANGLES"

## 2014 AVATAR

50% grenache, 26% mataro, 24% shiraz. The Teusner range looks to be in very fine form, from what I've tasted so-far tasted.

The up-front appeal is simple and fun but when it gets to the finish it spreads and runs in the most wonderful fashion. The fruit here is high quality to say the least. It tastes of concentrated raspberry and woodsmoke, earth and anise, the finish then gently herbal and spicy in the most positive and sweet-scented of ways. The aromatics, the flavours, the mouthfeel and the finish; it impresses from all angles.
